and the meeting terminated.

The following is the Report of the Board of Directors to the ordinary half-yearly meeting of shareholders, to be held at the office of the Com pany, on Monday next at 3 p.m.;-

STEAM-BOAT COMPANY, LIMITED

The directors beg to submit to the shareholders the After paying running expenses, unlaries, promis be afterwards vested in their names), and to the street on the case in Victoria, we shall have mains, including \$18,008.06 brought forward from last incapable in the street on the 27th inst.

account, the sum of \$103.097.48 at credit of profit and general management of the Church will be ticket, and saying that, instead of dealing cruelly loss account. From this sum the directors recom made at once to roise the balance of money should keep them on hand and turn them into paid as dividend for the half-year, that \$5,000 be writgood hard-shell Baptists or double-patent back ten off machinery account, that \$15,000 be placed at credit of depreciation fund, and that \$2,750 be approaction ranters. Our reply to that is - the sooner priated as directors' and auditors' foca, leaving such Kerristians clear out of this country; and balance of \$50,347.43 to be carried forward to new Muctavish, which left this port on the 20th inst. start a new breed of yellow saints on the banks account, thus making ample provision for the outlay

the London and China Express of the 23rd alt - has been named the Honom. It is to be regretted however, that owing to adverse circumstances, the Admiral Ryder, Commander-in-Chief at Ports- | buil lers delayed the completion of the vessel for two mouth, has promised to give £1,000 upon certain months beyond the contract time. She started on her voyage out on 4th June, and having left Aden on N. long. 11:35 E., the high pressure cylinder for Portsmonth, while the Bishop of Winchester the 12th instant, was compelled by the strength of the monsoon to put back to that port on the 15th. cover, piston, and connecting rod bolts broke in will subscribe fill per annum during his Correspondence is now going on with a view to estapieces. Dark equally weather with heavy rain Episcopate. A Diocesan Fund has been started, blish a claim on the builders for retarded delivery of After arrival of the Honam, it will be necessary to

lay up the White Cloud to receive new boilers and undorgo a general overhaul. The boilers of the Powan and Kinking also require an overhaul. The cost of these repairs, it is estimated, will amount to \$50,000, and will be covered by the amount propose! lately added to the collection of the Bodleian to be carried forward to new account as montioned

The steamers Kinng-chow and Yot-sai, trading these waters, being offered for sale, the directors after mature consideration, have purchased them for the sum of \$57,500. In order to give a day and night departure from each and of the route every week day, the requirements of shippers, the Kiung-chow is kept on the Hongkong-Canton line on-joint account with the China Navigation Company. The White Cloud plying daily between Hongkong and Macao being considered quite enfloient for the existing traffic between the two ports, the Pot-sai has been withdrawn from that line, and is being fitted out to ran between Canton and Macao in lieu of the Spark. In accordance with the articles of association, the Honograble E. B. Belilios and Mr. A. Molver retire

from the Board by rotation, and being eligible, effor themselves for re-election. The accounts have been audited by Mosers. I Hauschild and T. Arnold, the latter was appointed by the Board to fill the vacancy caused by the decease of Mr. Henry Smith. The retiring auditors

offer themselven for re-election. E. B. BELILIOS, Chairman. Hongkong, 25th July, 1882.

> SUPREME COURT 28th July.

ORIGINAL JURISDICTION.

BEFORE SIR GEORGE PPILLIPPO, CHIEF JUSTICES CHRONG KIE V. CHO SIE CHOW.

Mr. Bailey, instructed by Messra. Sharp Toller, and Johnson, appeared for the plaintiff The defendant did not appear. This was a claim for the recovery of damages for breach of contract. The plaintiff is the compradore of the Hongkong Club, and the defendant was formerly a trader. On the 31st August

tion, notice of his intention having been left at | the prisoner into custody. . defendant's last known place of abode and also The cave has been remanded from time to time given to Messrs. Dennys and Mossop, who had but the police have been unable to discover any acted for the plaintiff in a suit that was com- trace of the watch, or to produce any further menced, but afterwards abandoned, for apecific evidence. performance. The property was knocked down for \$3,250, less expenses, which reduced it to \$7,990.40, and the present sotion was brought to recover the amount of the difference between stolon a gold ring, value \$4.50, the property of the contract price and the price realised at anc. an inmate of a brothel at Shankiwan, on the tion; together with the expenses.

Judgment was given for the plaintiff for \$4,509.60 with costs.

IN SUMMARY JURISDICTION. BEFORE ME. JUSTICE SNOWDEN.

MARQUES V. WICKING.

Mr. Mossop appeared for the plaintiff, and Mr. Wotton for the defendant. His Lordship gave judgment in this case. He said there was a considerable conflict of evidence in the case, and he had carefully examined into all the ofreumstances before deciding on which side the verdict should be. The plaintiff set up The ordinary half-yearly meeting of the share an engagement made for two months positively holders in the above company was held at the for selling some property Mr. Wicking was hotel yesterday afternoon. There were present desirous to dispose of. He might observe in the -Messrs. W. K. Hughes (Chairman), A. dos first place that this statement appeared improb-Remedios. H. G. James, D. McCulloch, C. The return of the rain after an interval of one

occupation while the sudden fall in temperature Let any ressonable man reflect for one moment | necessitates a return to warm clothing at the end it. There must be a joint occupation. Arabi must | the less fortunate native this unseasonable rain is suzerainty we have asked him to send troops? and notual floods are unknown; but beyond and rescal laborated deposed; we appointed the Con. vast lake, entailing nearly total destruction of we also pledged ourselves to sustain the whole villages have been swept away by the cumstances. And are we then to violate these been to raise the price of all articles of native pledges and to leave the investors under them in consumption in our market. As we pointed out in our last commercial report, there has been a Then as to Irish coercion. Seeing the pro- rise of some twelve per cent. in the price of sperous state of that country when Mr. Glad- native rice and of six to seven mace per pioul stone took office, and seeing the state in which in cotton. Shipments of the latter to Hankow Canouses, one would surely think that Radical be resumed until it is estiain that the inundations fads had had scope enough, that concession had in the provinces beyond that city have subsided. been exhausted, and that sitting on the seat of Again, in Chekiang the rain having continued the soornful with respect to the proclivities of for many weeks, the large tracts of land under the Conservatives for the re-establishment of law cotton cultivation suffered severely. As we and order was quite out of place. If not, at stated lately in a translation from our contemwhat point will the Radicals confess their porary the Shen Pac, the cotton and wheat fields in that district had produced more grass I wish my pen could adequately express my than crops the cotton crops have proved to be in Egypt, with a community of foreigners stated to have been so great and to have wrought with a couple of mea-of-war, now obsolete, not inundations cover immense districts this year. to pay for the mischief that had been done. calemity which meant death to many, and priva-Now. Canton is a much larger city than Alex- tion, discontent, and danger to all. The descripandria. The factors in comparison in both cases | tion be gives of the only communication left to are mobs, and I see nothing to show that an the wretched people reads more like what travel-

panic stricken and to have neither done nor at- and in the middle previnces. Chill has wanted tempted to do nothing. I say seriously that had it. A few showers had fallen in Peking last Ho Yau, engineer of the licensed steamer Tot be shown pluck and courage, it would have been week but it now seems as though we were again Shun, was summoned by Mr. J. S. Brewer, infinitely better for England to have lost half his abstracting the supply which is there so sadly Government Marine Surveyor, on a charge of feet than to have suffered the loss of prestige readed. Recent advices from Tientain were to having placed an underweight or pressure upon which his oulpable apathy has caused. This can the effect that rain had fallen but more was reonly be recovered by bloody deeds, and whatever | quired, and the break of fine warm weather prevented it from lifting at any pressure. On operation of the French fleet, the town could | 1878, when, as now, Shanghai was deluged with taking the wedge out, he found the valve worked have been carried without a halt or a hitch. But excessive rain. What the cause of this apparent properly, but with the wedge there the valve no. Sir Beauchamp stood idle with steam up and | want of vigour in the monsoons, leading them leaded guns. He did manage to recover the thus to discharge their moisture prematurely, The defendant said he had been engineer of hodies of his officers who had been murdered, but may be, is still a matter of uncertainty. It so fearful was he of the mob, that he buried them is not doubted that the origin of the monsoon lies in the heating of the Central Asiatic plateau The following from the pen of the Times cor- by the summer sun, and from this it is inferred respondent fully indicates the natural result, and that a diminished besting power in the sun should bring the blush of shame and indignation causes a diminished indraft and hence a weaker to every Englishman's cheek :- "The position | monsoon. On the other hand this inference is not of Europeans, and especially of the English and in accord with the fact that at the present moment French, who remain has become intolerable; the sunspots are on the increase and the sun's not from fear of immediate danger, but from the rays consequently growing in potency. Whatextreme contempt and insult with which they ever the true cause may be, the result is disare treated. A soldier recently throw away a setrous, and, with had harvests in prospect. becoming desperate, and although the mind of hat from the head of an Englishman, asking general trade, already exceptionally depressed, the public is unaccountably apathetic, still a him if he were not ashamed to wear it after what promises to grow still worse. A return to constituencies will become really alarmed at the happening in a land where, even four months of the crops in this province, but if the rain continues not half will be saved. It is carious to note that the setting in of the guaranteed the safety of the fleet; and in a dis- late spell of fine weather coincided with the new At the commencement of the present assion puts with your donkey-boy he will threaten to moon, and for a time the belief in the moon's

of 10 cents until ILSO A.M., when the Post Office closes entirely. 11.40 A.M., Late Letters may be posted on board

the packet with Late Fee of 10 Cents until ime of departure.

PACKET. The United States-Mail Packet "COPTIC" will be despatched on SATURDAY, the 29th inst. with Mails for Japan, San Francisco, the United States, Causia, Honolulu, Peru, do, which will be closed as follows :-11.30 A.M. Post Office closes, but Correspondence

may be posted on board the Packet with Late Fee of 10 cents extra Postage until the time of departure. LOCAL AND INDIAN PARCEL POST

1.—Small Parcelsmay be sent by Post at Book Rates between Hongkong and any of the British Post Offices in China, as well as to Japan, Macao, Pakhoi, the Straits Settlements, and India. They must not exceed the following dimensions. feet long, I foot broad, I foot deep, weigh more han 5lbs., nor be smaller than S in, by 2 in, by 2 in. Such parcels may be wholly closed if they bear this special endorsement, Parcel, containing no letter, but any parcel may be opened by direction of the Postmaster General. . In the Case of OWNERS, will be RESPONSIBLE for any Parcels for India a declaration of contents and DEBT contracted by the Officers or the Crews value is required, a printed form for which is of the following Vessels during their stay in supplied gratis. The Registration of Parcels for India is compulsory.

> Many boxes of letters are received at the Post Office not sealed, that is to sav, the box is fastened with sealing war, but there is no impression of a esal. The attention of boxholders is called to the necessity of carefully sealing such boxes with some recognisable seal, and of sending a chitbook or receipt with them. The omission of the latter procaution leaves a doubt as to whether the contents of the box ever reached the Post Office: the omission of the former, as to whether part of them might not have been abstracted for the sake of the Postage Stamps.

> > RATES OF POSTAGE.

Leffers, per 1 03. Post Carde, each ..... Books, Patterns, and Commercial Papers, per 2 oz. Newspapers & Prices Current, each 2 Cents. Do. with return receipt ... 75 Cents. Commercial papers signify such maners as, though written by hand, do not bear the character of an actual or personal correspondence, such

ETTERS FOR THE UNITED STATES BY SAILING When it is desired to forward letters to the United States by a sailing ship which is not no. tified as carrying a mail, it is only necessary to post the letters in the ordinary way, marked with the name of the ship, and prepaid 10 cents per half ounce as usual. The Post Office then undertakes the duty of obtaining notice of departure and despatching the correspondence. It is requested that the letters be posted if possible

under 4 oz. weight are charged 5 Cents.

TEA MUSTERS. Persons who send Musters of Tea through the Post in Tins are requested to have them made flat or square instead of round, as it is impossible to pack round tine securely in the mail bags. It is believed that the tea will travel more safely in nat tins, which are not so liable as round ones to be bulged in. 4 by 8 by 15 inches is suggested as a good

at least one day before the date fixed for sailing

sise. The time should not have sharp corners.
